The Secretary General,
Supreme Court.
New Delhi.

Sub: Grievance against the working of registry & its discrimination.

Sir,

There is no redressal of grievance against the Registry of Supreme Court. The a D. No 11006/ 2020 titled as Arnab Ranjan Goswami Vs UOI filed on 23.04.2020 at 8 PM and registry has listed the same on 24.04.2020 without pointing out any defects / urgency letter etc. by ignoring the earlier list of pending matter.

It is routine in the Registry where some law firms / influenced advocates are given preference by the section officers/ registry. this is discrimination and against the equal opportunity.

The category (1418 Criminal Matter other) as shown in the case status (Supreme Court Website), is not in the prescribed list of matters/ categories issued on 20/04/2020.

I don't know what is the urgency in the said matter found by registry and Registry has listed the same matter within hours after scrutinising the said matter in late night hours.

In a matter bearing D No 10951 which was filed on 17.04.2020 is still in the process. i made several complaints to Hon'ble Chief Justice of India and Secretary General, Supreme court even thereafter there is no response by Registry.

kindly enquire the matter and take step against this pick and choose policy adopted by Registry.
