We at Law Mantra enable people to take responsibility for the situation of the deprived Indian women and children and so motivate them to seek resolution through individual and collective action thereby enabling women and children to realize their full potential.

CALL FOR CHAPTERS IN EDITED BOOK BY LAW MANTRA TITLED ARTIFICIAL INTELLIGENCE: LEGAL APPROACH

Law Mantra which is running for the purpose of enhancing legal academics, legal awareness and which always believes in the motto “Think Beyond Others” invites calls for Chapters in Edited Book.

Since, the whole world is in the state of Total Lockdown because of Novel COVID-19 we would like to involve legal academia to write the quality of research paper on above mentioned titled.

ARTIFICIAL INTELLIGENCE: LEGAL APPROACH

Artificial Intelligence (“AI”) is not a new concept, especially to the people who are enthusiastic about science and technology. New technologies are innovated and incorporated into the routine in the life of people. Artificial intelligence (AI) is one such innovation which has drastically impacted the functional ecosystem of society. The technology is changing rapidly, with computers and now robots, replacing simple human activities. AI is basically a machine that can actually think on its own.

The Call for Edited Book provides considered discussion on the intricacies of artificial intelligence. Renowned scholars would be joining the Call for Papers that aims to

garner a strong academic response addressing the recent and imminent changes in the legal framework in conjunction with artificial intelligence and allied areas.
