

1st National Article Writing Competition on Mental Health

In collaboration with

The Article Writing Competition is focused on the primary theme of the issue of 'Mental Health. Mental Health is something everyone is talking about but no one has taken the initiative to analyse the governing mandates which support the institutions to contribute to Mental Health and subsequently, to it's awareness.

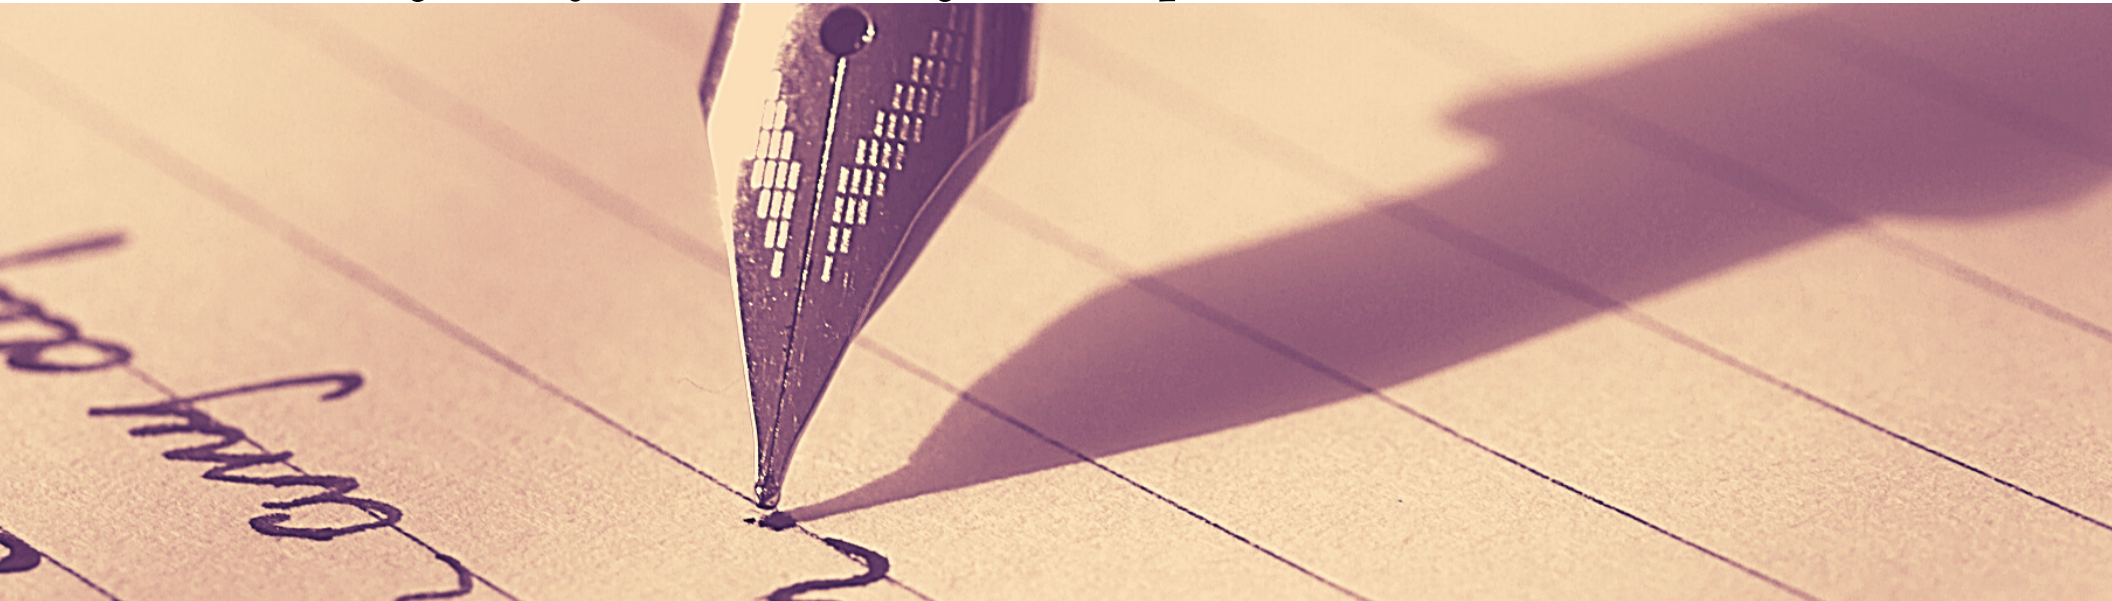

Socio Legal Forum in collaboration with Aatman brings this competition. Socio Legal Forum is a website providing legal service by facilitating the legal fraternity with the well- researched articles and journals. Whereas, Aatman is a centre where you can deal with the issues of your mental health; it has RCI registered pratitioners with academicians of 13+ years of experience.

Sub- Themes:

1. Mental Health and Matrimonial Disputes
2. Mental Healthcare Act, 2017
3. Mental Health and Covid-19
4. Mental Health and it's protection under Indian Legal Scenario
5. The Mental Health Myths
6. Mental Health of Juvenile and Prisoners

The list is not exclusive and author(s) may write on any topic which is in conformity to the theme of the competition, 'Mental Health'.
