About Think India

Think India is a pan-India organization run by students from national educational institutions established with the aim to bring together the best talent of the country and to infuse in them a 'Nation-First' attitude. The organization seeks to develop solution-based thinking and inspire young India to serve society. It strives to promote social harmony, fulfil needs of India, support and motivate activity in campuses, upliftment of rural India, and support gender justice.

About National Article Writing Competition

Think India National Article Writing Competition has been organized for past 16 editions successfully every month. It is one of Think India's flagship initiatives to further its goal of infusing 'Nation-First' thinking in the young talent of this nation. More than 6,000 students, academicians and research scholars across the country have participated in the previous edition of the competition.
