Presents

**20- Days Lecture Series on
Criminal Procedure Code**

About Us

Legal Aid Publico India (LAP India) is an organization in collaboration with an NGO Adivasi Sewa Sansthan which has been established to fulfill the Preambular promise of securing - Justice – social, economic, and political, as enshrined in Article 39 A of the Constitution of India to all the citizens of our country and to provide free legal aid to the poor and weaker sections of the society.

We believe that justice should be provided up to grass root level of the society, but due to lack of knowledge, education & poverty, many of them are deprived of their legal rights.

We, as an organization will aim to work to provide women and children with the knowledge regarding their legal rights and to provide legal assistance to the weaker and venerable sections of Society. This is planned to be fulfilled by organizing a regular camp in the areas in need, with the help of the District Legal Services Authority.

In the times of Covid-19, our objective is to spread vigilance in our Legal fraternity (Advocates, Law Students, Legal Researchers, etc.) by organizing several events like Legal Talks, Panel Discussions, workshops etc., on various legal issues by eminent legal experts.
