ABOUT JIMS EDUCATIONAL GROUP

The JIMS Educational Group has a legacy of over 25 years in quality education, creating industry-ready professionals. It was founded by Late Mr. Jagannath Gupta, an eminent philanthropist of his time. JIMS Group with its foresight, vision, sense of mission and passion is determined to have its presence felt by opening new campuses across India so that no matter where a student is, geographical boundaries should not remain a hindrance in obtaining the finest of education. The society has set up sister high quality educational institutions as: Jagannath International Management School, Kalkaji, New Delhi, Jagannath International Management School, Vasant Kunj, New Delhi., Jagan Institute of Management Studies, Rohini, Jagannath Gupta Institute of Engineering & Technology, Jaipur (Rajasthan), Jagannath University, Jaipur, (Rajasthan), Jagannath University, Bahadurgarh, Haryana.

ABOUT JEMTEC GREATER NOIDA

JEMTEC Engineering & Management Technical Campus, Greater Noida was established in 2012, under the visionary planning and dynamic leadership of Dr. Amit Gupta, Chairman of the JIMS Educational group. The Institute offers various degree programmes viz. B.Tech BBA, BCA, B.Ed , B. Com, BJMC and JEMTEC and has been ranked amongst premiere institutions for quality education in Delhi NCR. The Institute is affiliated to GGSIP University, Delhi and approved by BCI, AICTE & NCTE.

ABOUT THE SCHOOL OF LAW

School of Law, Greater Noida, is operating under the JIMS flagship in Delhi NCR and running B.A. LL.B & BBA LL.B 5 year integrated programme since 2014. The School of Law from its inception is committed to achieve excellence and highest academic standards in legal education. The Institute has an excellent infrastructure in support of high quality teaching, learning and research activities. The Institute has been established to cater to the growing needs of higher education in the country. The world class physical and academic infrastructure developed by the Institute, essential for imparting quality technical education, facilitate the teaching learning process and delight the students, faculty, corporate visitors and parents.

A WORD FROM AUTHORITIES

DR. AMIT GUPTA
CHAIRMAN JIMS, GROUP

PROF. (DR.) R.K. RAGHUWANSHI
CAMPUS DIRECTOR, JEMTEC

PROF. (DR.) PALLAVI GUPTA
PRINCIPAL, SCHOOL OF LAW

This Model UN conferences provide us a glimpse into the real-staggeringly world's high stakes, where every subject demands a level of depth and discussion that textbooks would not allow. These insights, when combined with academic rigor, help us to gain a better grasp of the difficulties that our world faces. Learning becomes natural, comprehension instinctive, and dispute resolution becomes the norm. At JEMTEC MUN, we are committed to cultivating a culture of civil conversation in our community and, as a result, contributing to a genuinely global society

I am confident that this competition is going to be a grand success. All the very best to the participants.

It's not about what you say but rather how you say it, nothing is more grounded than delicate words but hard contentions. If you have the potential to leave an indelible mark on your crowd just by your words then you can gladly expect that you have won it as well. I'm very glad to discover that a Model United Nations and youth parliament competition will be conducted by JIMS Engineering Management and Technical Campus. I compliment every coordinator for giving participants this extraordinary chance to present themselves and I trust in the fabulous achievement of the competition. All the very best to everybody.

We feel proud to announce that JEMTEC School of Law, Greater Noida is going to organise its 1st Model United Nations. Preparing and participating in a MUN helps students develop leadership skills, research, writing, public speaking, and problem-solving skills. Moreover, coming up with solutions that are acceptable to a majority of the representatives also inculcates skills of negotiation, conflict resolution, and cooperation. By participating in MUNs, knowledge of the world will increase tremendously as you represent a country at a 'global' level and interact with other delegates representing other countries. A very heartfelt congratulations to all the participants for participating in this event and all the best to those who are going to give their presence in this event as "You only learn by practicing". At the end of this Model United Nation, the traits inculcated will serve you well in your future endeavours.

A WORD FROM FACULTY CONVENER

MS. TANVI SHARMA
ASST. PROFESSOR

It brings me immense pleasure to coordinate this Model United Nations, we feel, should be more than simply another campus activity; they should provide a platform for students to become aware of the condition of less fortunate communities around the world.

"I profoundly disagree with what you say," said French philosopher Voltaire, "but I will protect your freedom to express it with my life." In a world where intellectual discourse appears to be on the decline, our mission is to promote polite debate on even the most divisive issues, thereby contributing to a more accepting and tolerant society.

I wish this event a huge success and heartily congratulate all the participants and organizing committee members for their efforts.

MR. VIGHNESH BALAJI
ASST. PROFESSOR

Democracy must be built through open societies that share information. When there is information, there is enlightenment. When there are deliberations, there are solutions. When there is no sharing of power, no rule of law, no accountability, there is abuse, corruption, subjugation, and indignation. In the light of this spirit, and as being a member of the organizing committee, I am extremely happy to see that the student community is taking interest in promoting such co-curricular activities. I wish that this event will not only be a great success but also a fruitful opportunity for all of us.

MR. GAURAB SAHA
ASST. PROFESSOR

I feel proud to announce that JIMS Engineering Management and Technical Campus is organizing its first National Model United Nations. Model UN conferences are diplomatic simulations. Respect and cooperation are the fundamentals of the debate. MUN teaches you how to be a good diplomat with increasing your diplomacy and negotiation skills on this note I wish all Munnners the best of luck, hope to see some good future diplomates.

ABOUT DDS

The debate & discussion society of JEMTEC School of Law, Greater Noida aims to promote all forms of debate such as MUNs, Parliamentary debates, Client Counselling sessions, general debates, Judgment writing competitions, Article writing competitions, Research Work, etc. The society has a history of conducting various competitions such as Intra Debate Competition, Intra Judgment writing Competition, Youth Parliament, Article writing competition, etc. Debate & Discussion Society of JEMTEC School of Law endeavours to promote a wide perspective of socio-political issues concerning different sects of the society amongst the students. For the same, it is organising an MUN on issues which covers a wide range of subjects.

ABOUT JEMTEC MUN

JEMTEC MUN provides you with the opportunity to discuss ideas, debate current issues, learn about the United Nations and international relations, and propose solutions to many global problems.

JEMTEC MUN Objective's are:

- Gain a better understanding of contemporary global concerns and sharpen your critical thinking skills.
- Develop ideas to solve current international challenges and improve their diplomacy abilities.
- Enhance critical thinking, teamwork, and leadership talents, as well as research, public speaking, debating, and writing skills.
- Distinguish between the parliament and the United Nations, as well as power struggles and diplomacy.
